

FALL REGIONAL MINI-MEETINGS 2024

The School Nutrition Association of Virginia (SNA-VA) will host eight fall Regional Mini-Meetings. Membership is not required to attend. Additionally, you may register for the meeting that best suits your schedule even if it is outside your region.

Both SNA-VA members and non-members may attend. If you are not a member and would like to join, please visit www.schoolnutrition.org.

The Regional Directors have been working hard to plan programs that are both relevant and helpful while also allowing you to earn continuing education credits toward certification. The amount of certification credits will vary with each meeting.

Please send your registration form to the appropriate address listed in the Mini Meeting details.
